EVANGELIZING THE HEART OF THE BELIEVER

April 2008

Letters of Faith

**“The people of the world will hate you because you belong to Me,
for they don’t know God who sent Me.”**

John 15:21 NLT

Dear Beloved,

Hatred is relentlessly tyrannizing the minds of both the *elite* (a group selected or regarded as the finest, best, most distinguished, most powerful, etc.) and the disenfranchised (those who have been deprived of privilege, right, or power).

Hatred (*prejudiced hostility or animosity*) is the current weapon of choice for the enemy of our souls because hatred awakened and strengthened by persistent lies is almost impossible to *refute* (to prove an argument or statement to be false or wrong, by argument or evidence).

The self-chosen elites are blinded and deafened to the truth because they fear they might lose their prominence. They, in turn, recruit the truly disenfranchised as well as those who are told they are. Once the disenfranchised become convinced to hate those who refuse to believe what the elites say is true, they become fanatically devoted to eradicate from the face of the earth everyone who will not agree with their newly-learned lies.

“Woe to those who call evil good, and good evil; who substitute darkness for light and light for darkness; who substitute bitter for sweet, and sweet for bitter! Woe to those who are wise in their own eyes, and clever in their own sight!” (Isaiah 5:20-21 NASB)

Terrorists are not just those who actually plant bombs or shoot innocents. They are also those who manipulate the truth to sound ridiculous and broadcast misleading facts as undeniable truths until lies and hatred are firmly planted in their initiates’ minds. These leaders do not dirty their own hands nor risk their own lives for their cause. They convince their “army” that bad is good and good is bad from their exalted “thrones” in the comfortable towers of academia, in the boardrooms of so-called “non-profit” organizations, in news and editorial offices, in Hollywood film studios, in television stations, and from the stages of rock and hip-hop/rap concerts. They supply the blood money to the “worker” bees.

We as a Body must pray that: **“...God may grant them repentance leading to the knowledge of the truth, and they may come to their senses and escape from the snare of the devil, having been held captive by him to do his will.”** (2 Timothy 2:25-26 NASB)

The father of lies, Satan, had been trying for centuries to wipe out the Jews from whom the Son of God would come. Haman, the King of Babylon’s highest official, loathed Mordecai, a Jew, because he would not bow down to him. Unbridled

hatred spread its poison until it consumed Haman so that he conceived a plan to have Mordecai killed by planting lies about him to the King.

Not knowing that Queen Esther herself was Jewish, Haman became so full of hate that he demanded all the Jews in the vast kingdom be killed. Thank God for Queen Esther's courage to risk her life to bring the truth to the King. (Do read this slim little book circa 460 B.C. to find out how God used her to foil that plot.) In our lifetime, we have witnessed the horror of the '30s and '40s that resulted when a madman released deception and hatred to a whole nation. Hitler's spit-punctuated ranting of lies against the Jews day after day lead Germany to believe that Jews should all be killed, so six million human beings were sacrificed on the demonic altar of hatred. Then he went after the Christians, and thousands of them were killed.

The Muslims were one member of Hitler's axis of hatred. They shared a hatred for the Jews and the Christians, so they chose to support the fascist governments in World War II.

Sadly, hatred was not put to death or even put on trial after the military victory was won. The minds of the intelligentsia (*regarding themselves as the educated and enlightened class*) still clung to their hatred of an Almighty God. They were easy prey because of their pride. They have managed to influence generations "to do what you feel like doing." They ridiculed Christians who dared to believe that there is a devil, that there is evil in this world, and they orchestrated their hate and lies through the schools, the movies, and the recording industry.

After the military war was won, the "Christian" Western World did not heed the warnings of the prophets to beware of the haters who longed to erase everyone who had the faith of the Christians and the Jews, who insisted on following God's Truth and commandments. We didn't want to believe or even hear that the current bunch of Communists in Russia and China were as evil as Hitler and Stalin, and we were led to believe the Muslim lie that Allah and the Sovereign God were one and the same.

As a people, we forgot the warning of 1 Peter 5:8-9a (NASB): **"Be of sober spirit, be on the alert. Your adversary, the devil, prowls about like a roaring lion, seeking someone to devour. But resist him, firm in your faith..."**

The Bible warned us about the spirit of anti-Christ who would try to deceive us into believing that there is no God, and that Jesus is not the Son of God.

Islam has used these same lies from the moment it was established as an "alternative" man-made religion in the 7th century. They named Allah their god (he is NOT the same as our Heavenly Father!) and they claim a lineage from Abraham's son Ishmael (who they teach was the son that was rescued from being sacrificed, not Isaac!).

Now drunk with the power that their oil revenue gives them, the Muslims have been focused on destroying the Jews and the Christians by a barrage of hate and lies. They gnash their teeth at us and hold sway over millions of people who have been spoon-fed the most dastardly lies about everyone who will not accept their religious deception.

We are now seeing those who truly hate Christianity band together with other outlaw groups that don't want people to be free to choose their own religion, governments, or leaders! (About 80% of the nations in the U.N are run by dictators!)

Even the Communists and fascists are united in hating any country, and its leaders, that stands against their ways by calling sin a sin! The blood of Christians is now being spilled, not only in Communist China and the Mid East, but in the Philippines, Indonesia, Africa, and South America as well.

These groups “sell” their hate and lies by *euphemisms (the substitution of an agreeable or inoffensive expression for one that may offend or suggest something unpleasant)*. They call it “freedom” to be able to take any kind of drugs they want. Homosexuals refer to themselves as “gay,” and nudists insist that they are escaping from stringent Puritanical mindsets. Those who want the right to abort babies refer to the procedure as freedom of choice. Those who wish to murder their aged parents seldom even dare to call it euthanasia (*mercy killing for the aged and handicapped*).

And with the finest of psychological role reversal lies, they declare that anyone who disagrees with them “hates” them and to speak against their ideas is “hate speech.”

The whole world seems to be convulsed as the enemy of our souls is attempting to squeeze the life out of all of us who have the blood of Jesus in our veins. The Devil knows that there will be a last battle for the minds and bodies of the whole human race.

Wake up Christians! See what is happening to your minds and hearts when you hear bitter lies from those who hate and want to topple the few Christian government leaders we have. Our Founding Fathers recognized that our unique form of self-governance could not succeed without a populace who looked to God as our foundation and our guide.

Examine the reasons and spirit behind those who insist that adultery and fornication aren't sin; who insist they should have the right to murder their children before they are born; that “Mother Earth” must be recognized as more important than human beings; that all religions are the same; that pornography couldn't be evil, nor should there be any restriction on drugs—you name it. Remember: **“You who love the Lord, hate evil!”** (Psalm 97:10 NLT) and we **“...shall know the truth, and the truth shall make [us] free.”** (John 8:32 NASB)

We will all be challenged whether or not we believe the truth!

We will all be given a choice to declare that we believe Jesus is the Son of God who came to reveal the fullness of the one, true, and Almighty Father God, and that He died and was resurrected and ascended to the right hand of God—or, all the lies that undergird the hellish hatred that Satan effuses.

I pray that we will all be willing to risk our lives to speak and live the Truth!

Huge Haglin Hugs!
